

Yoke Grade 8 Eye Container Hook BS EN 1677-1+2

All Grade 8 lifting components sold by William Hackett Lifting Products comply fully with the relevant section of EN1677, they are forged from alloy steel, they are crack detected following heat treatment and finally proof tested to 2.5 times working load. The full compliance of these components means that they can be used in chain slings certified to EN 818-4, for use in a temperature range of -40°C up to 200°C without reduction in working load limit.
